Mega Industrial Show in Bangalore 2027

Indexpo Bangalore – Your Post-Expo Business Platform

Indexpo Bangalore is a dedicated platform for manufacturers and suppliers of machine tools, industrial and engineering products, connecting them with buyers from across India.

Many exhibitors lose up to 80% of potential business generated during mega expos due to lack of effective follow-up. Participation in large machine tools expos requires significant investment of time and money—but without a clear strategy to convert leads, much of that effort is wasted.

Indexpo Bangalore bridges this gap.

- Extend your presence in Bangalore at minimum cost.
- Ideal for small and micro units with limited budgets.
- Invite your customers to visit your booth and demonstrate lively your machines with full facilities at a very reasonable cost.

This event ensures that your expo participation translates into real business opportunities by giving you the platform to reconnect, follow up, and convert leads into lasting partnerships.

Show Highlights

- First Time in Bangalore brought to you by Indore Infoline Pvt. Ltd. (Leading Industrial exhibition organiser on Pan India. 80+ Industrial Expos organised since 2009) in more than 12 cities.
- Exclusive Show for Machine Tools, Engineering and Industrial products
- Serious Buyers / Visitors from Industries- More than 20,000 visitors expected
- Networking opportunity in same trade
- Exposure to latest Technology & Products. Industry 4.0 technology.
- Meet the existing customers and understand their future requirement
- Upfront feedback from customers

- **Free Entry** to visitors in the Show. Ample Free parking. Shuttle service for Visitors from metro station.
- International Exhibitors and Visitors
- Full Support and Facility for Display, Loading/ Unloading
- Crane Facility for handling heavy machineries
- 3 Phase Power Supply, Compressed Air and other facilities
- Full Safety of Exhibit Materials / Equipments
- Logistic Support , Government Clearance / Road permit for Exhibit Materials.

Dear Sir, Greetings!

We are pleased to invite you to participate in the upcoming 3-Days International Machine Tools & Engineering Expo (Indexpo), scheduled from 4th–6th February 2027 at KTPO Exhibition Center, Whitefield, Bangalore.

This premier event will bring together international and domestic manufacturers, suppliers, and technology providers in the fields of machine tools, industrial equipment, and engineering solutions. It offers a unique platform to showcase your products, connect with buyers, and strengthen your presence in one of India's most dynamic industrial hubs.

Why Participate in Indexpo Bangalore :-

- Opportunity to engage with buyers and decision-makers under one roof.
 - Convert leads generated during previous mega machine tools expos into tangible business.
 - Affordable participation cost, ensuring maximum ROI.
 - Ideal setting to follow up with existing customers and build new relationships.
 - All facilities to display your machines and participation comfortably.
- We look forward to your valued participation and to showcasing your innovations at this landmark event.

About the Organiser – Indore Infoline Pvt. Ltd.

Indore Infoline Pvt. Ltd. is a leading organiser of industrial and engineering exhibitions across India, with a strong presence in more than 12 cities nationwide. Since 2009, our flagship brand **Indexpo** has successfully connected over 4,000 exhibitors with more than 4,50,000 trade visitors, creating valuable opportunities for business growth and collaboration.

Indexpo has played a pivotal role in strengthening local industries, particularly the MSME sector, by providing a trusted networking platform where manufacturers and suppliers meet buyers from across India and abroad.
